206 Saskatchewan Ave E
Portage la Prairie, MB R1N 0K9

Dear Donor,

Thank you for your donation of \$3215! It supports life-saving lung research, helps patients and caregivers, promotes smoking cessation and clean air, and trains healthcare providers. Together, we're creating a healthier, breath-filled future for all. Your commitment to education, advocacy and research in lung health is ensuring more Manitobans can breathe with ease.

Because of your generosity, life-changing programs and services are accessible to 1 in 5 Manitobans affected by lung health issues. Whether it helps families access radon remediation through our Lungs Matter grants or connects individuals with others who understand their journey through our Support Groups, your contribution ensures no one has to face these challenges alone.

Your impact on Manitobans who are struggling to breathe is extraordinary!

This support will be recognized as coming from James Culbert Fund through Community Foundation of Portage and District Inc.

Thank you for creating a future with better breathing for us all.

With sincere gratitude,

Juliette Mucha
President & CEO

*Thank you &
hope I would be
able to attend a
future meeting!*

Anonymity and Communication Preferences:

All donors will be listed on our website unless anonymity is requested. By donating to the Manitoba Lung Association, you will begin receiving mail and/or email communications. Please do not hesitate to contact us if you wish to change your preferences. Call us at (204) 774-5501 (toll-free 1-888-262-5864) or email us at info@mb.lung.ca, and we will be happy to help you however we can. You can also visit our website at www.mb.lung.ca to learn more.
