

# COMMUNITY FOUNDATION OF PORTAGE AND DISTRICT

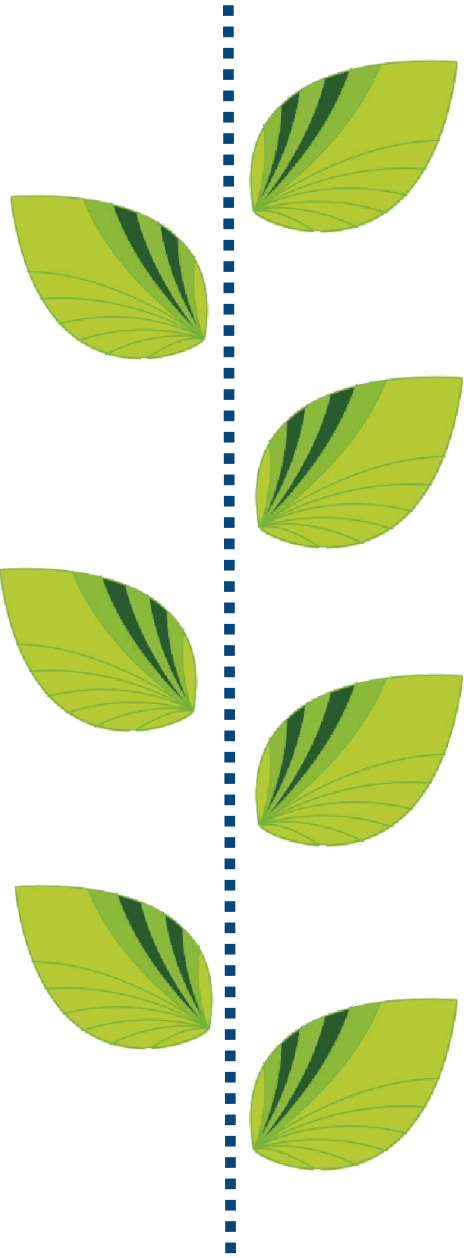

25 Years, For the Community, By the Community  
**Drive to \$10 Million Fundraising Campaign**

CFPD was created in 1994 by a group of 170 donors referred to as the **Founders Club** that shared the vision of working together as a community, for the community, forever.

Since our first grant in 1996 over **\$2.5 million** of earned income has been distributed back into our Community.

**Grant Fields of Interest:**

- Social Service
- Arts & Culture
- Medical Services
- Physical Fitness & Health
- Education
- Children, Youth & Family
- Environment

Every gift made to CFPD is pooled & **permanently invested** in an endowment fund; the interest earned on these funds is distributed as grants to a variety of local charitable projects & organizations.

Over **\$8.3 million** has been donated to CFPD since our establishment either to the general endowment or specific funds.

Anyone can be a donor and contribute a gift, small or large, in the form of cash, bequest, shares or securities. Since inception over **1400** donors have made a gift to CFPD.

Create your own **legacy** and establish a fund with CFPD. Donors can choose a specific field of interest or charitable organization as the beneficiary of the earned income.

To continue to build a better community for the next 25 years and beyond we need your help. CFPD aspires to distribute \$350,000 annually back into the community and to achieve this we need to increase our endowment fund to at least **\$10 million**.

**Your donation will make a difference in our community now and forever.**
