

Summary of Changes - 2023-26 Strategic Plan

Page 3: Deleted reduce duplication and increase effectiveness in the volunteer sector.

Page 4: Action items matched up to charts following on page 5 to 9.

Page 5: Another bullet under first area for Community assessment. Use same wording as above in the summary document.

Page 7: Deleted action item to "increase engagement/relations with stakeholders" and added in additional action item (Page 9) under Donor Engagement and Growth: "enhance communication ... holders". This change resulted from discussion at the Governance Committee regarding changes to the "Donor Recognition and Engagement" policy. See summary notes provided in agenda with this policy for further explanation.

Page 7 again: the Goal/Anticipated Result referring to a "one stop shop" will be clarified at the meeting. Some added wording may be put in this area as the Strategic Plan should be a "stand alone" document that all readers can understand.
